**SUMEIDE IS ALWAYS
WITH YOU ALONG THE WAY**

ABOUT US

Sumeide - Yongkang Sumeide Industry and Trade Co., LTD. was established in 2014 and is located in Yongkang, Zhejiang Province. Sumeide is a leading electric scooter manufacturer and a pioneer in eco-friendly transportation solutions, committed to producing higher quality electric scooters and providing a smooth and effortless ride for global consumers, allowing you to enjoy the freedom of movement while reducing your carbon footprint.

At present, Sumeide integrates R&D, production, sales and other departments. In addition, we have obtained CE, UL, ROHS and patent certifications, and are regarded as a global benchmark company in the electric scooter industry.

So far, we have expanded our sales network to Europe, USA, Asia, Australia, South America, and more.

You are welcome to visit our factory to establish long-term and win-win business relationship.
